DECEMBER 2021 NEWSLETTER

COVID-19 Protection Framework Traffic Light Orange

At a meeting of The Waipukurau Little Theatre Committee held on Monday 6 December it was unanimously resolved that under the COVID Protection Framework all gatherings and events held at Waipukurau Little Theatre will require **MY VACCINE PASS** entry. This decision was made to safeguard the health of all people involved with or visiting the theatre.

This means that all people over 12 years of age either working at or attending an event at the theatre will be required to have a My Vaccine Pass scanned and verified prior to entry. It was further decided that we would use **MY VACCINE VERIFIER** for this purpose.

As the My Vaccine Verifier does not save any personal details, all persons entering the theatre are still required to use the Covid Tracer App or sign in manually.

As part of this initiative all committee members, staff, crew and actors will also be required to be fully vaccinated and to have their My Vaccine Pass verified. Staff serving the public will wear face masks and we encourage the wearing of masks and the use of hand sanitisers by all on entry.

Following these protocols allows the theatre to operate at full capacity. We thank everyone in advance for their cooperation.

Lindsey Bishop – President Waipukurau Little Theatre

Calling all directors, actors, and helpers.

The recent successful show “One Day I’ll Fly Away” featured fine performances by three actors completely new to the stage, and two actors new to Waipukurau Little Theatre. All have vowed to repeat the experience. We congratulate them on their effort.

Waipukurau Little Theatre is always on the lookout for new talent.

Young or old if you think you would like to have a go, be it a grand plan or small beginnings, on stage or off stage then please get in touch with us.

Theatre Redevelopments

In our October newsletter we introduced you to the proposed redevelopments at The Little Theatre.

This involves:

- Stripping out the old carpet,
- Removing the old platform at the rear of the theatre,
- Building platforms for tiered seating,
- Re-carpeting,
- and the purchasing of new tables.

This work is well underway now with the back highest platform framed up ready for the flooring. Two further lower platforms will be constructed in front of this shortly.

Fundraising is well underway for the new carpet, and we hope to have this installed in time for our first show in 2022.

This brings me to the tables. We have decided to invite members of the theatre, theatre goers and members of the public to sponsor a table.

We invite patrons who wish to contribute to sponsor a table for a sum of \$50.

All sponsors will be formally and permanently recognized in the theatre.

If you would like to sponsor a table then for further details, please email or phone:

Treasurer: Rob Blamires.

Email: accounts@littletheatre.net.nz

Phone: 021 075 7856

Web contact form: www.littletheatre.net.nz/table-sponsorship/

Short and Sweet:

Every third Friday of the month. Next: Friday 17 December – 6.00pm.

A short working bee followed by a shared meal and a quiet drink.

All welcome.
